

ATTENTION: CRIME STOPPERS SUPPORTER

CRIME STOPPERS MEMBERSHIPS

Dear Sir/Madam:

Unlike criminals, Crime Stoppers of Sault Ste. Marie and Algoma District Inc. wishes to be noticed in the community. This year, we are embarking on a rather large project to increase Crime Stoppers' visibility in the community. Crime Stoppers Memberships include metal signs, window decals, and vehicle decals.

Crime Stoppers considers this project to be both a proactive and reactive approach to crime in our community. We believe that businesses in the community will benefit from the Crime Stoppers signs and that our signs will act as a deterrent reminding criminals that they will be caught.

We invite you to join us in our efforts to reduce and solve crime in Sault Ste. Marie and ask that you consider purchasing signs for your business. Our goals with regard to this project include:

1. Promotion of Crime Stoppers
2. Prevention of Crime
3. Engage Businesses
4. Generate Funds

We believe that your membership represents a mutual desire to strive for a safer community and we want to thank you for considering our request. Please reach out to us if you require additional information or wish to place an order at 705-759-5081 ext. 2 or info@saultcrimestoppers.com.

What is Crime Stoppers?

Sault Ste. Marie & Algoma District Crime Stoppers is a non-profit organization serving the communities of Sault Ste. Marie & the Algoma District. Crime Stoppers helps solve and prevent crime in your community by providing a way for the public to anonymously report criminal activity.

Our program encourages people to call us with information to solve crimes already committed, ones about to occur, and/or the whereabouts of wanted persons, missing persons, narcotics, and stolen property. The organization works in collaboration with both the OPP and the City Police along with the media in order to solve these crimes.

Crime Stoppers is based on the simple principle that for every crime committed, someone other than the criminal has information that might solve the crime. The program was created to combat the three major problems faced by law enforcement in generating that information.

- The fear of reprisal
- Apathy
- Reluctance to get Involved

We resolve these problems by offering anonymity to people who provide information about crimes and paying rewards when the information leads to an arrest. As one of the longest running programs in Canada since 1985, the program statistics speak for themselves:

- Over 7 million dollars in drugs seized
- Over 3 million dollars in property recovered
- Over 4,400 arrests
- Over 2,600 cases cleared
- Paid out over \$470,000 in rewards!
