A MESSAGE FROM CRIMESTOPPERS

To our law enforcement partners, donors, and friends- THANK YOU for your continued support.

Randolph County Crime Stoppers Inc. was created in 1983 through a cooperative effort between Chambers of Commerce, Jaycees, business leaders, community residents and law enforcement. Our primary mission is to interact with law enforcement to establish a line of communication to provide monetary rewards for information leading to the identification of criminal activity thereby enhancing the safety of our citizens and quality of life.

Our partnerships, with all Randolph County law enforcement agencies, provide a means to receive anonymous TIPS (information) from concerned citizens and school students. Those TIPS are directed to law enforcement for investigation that often result in arrests, seizures of illegal narcotics, recovery of stolen property, locate missing persons, clearance of homicide cases and provide closure of cold cases.

Cash rewards are paid to anonymous TIP providers who convey information of known criminal actions and violations without their identity being revealed.

Randolph County Crime Stoppers, Inc. is a non-profit organization operating from community and business donations and fund-raising activities. We do not receive tax money from any County or Municipal governments.

We have embarked on a new procedure to report criminal activity through enhanced technology. Our new P3 program is a computer/telephone application for you to report criminal activity. We continue to maintain the TIP telephone number of 336-67-CRIME (336-672-7463).

Please join with us to make Randolph County, North Carolina a safer place to live, work and play.

YEAR IN REVIEW

Crime Stoppers cannot exist without the citizens of Randolph County. In 2024, we spent many Saturdays at Silver Dollar Gun & Pawn, talking to citizens about our mission, and selling raffle tickets and T-shirts. We loved being able to meet so many new people! A big THANK YOU to our Board Members who spent their weekends raising donations and spreading awareness.

In April, we attended an event hosted by Advocates of Abused and Neglected Children of Randolph County. This is a great organization to help the kids of Randolph County and we are proud we could be in attendance. We also hung a new banner in Ramseur at Dixie Fuel in the month of April!

We were able to join Archdale Police Department's Kids Foundation Car Show in June. We had a great time seeing everyone that came out and we of course, appreciate the opportunity to join in!

In August, we attended National Night out in both Asheboro and Archdale. What a huge success for both events! We look forward to the next one!

In September, we hosted our very first Classic Car Cruise-In. We had a great time seeing all the vehicles displayed, talking to people about Crime Stoppers, and getting the word out on the work we do. We took in donations, sold our T-shirts and raffle tickets, and made a lot of new friends! A huge thanks to the food trucks we had on site, Randolph County Government for the use of the Northgate Plaza, and Asheboro City for the use of the Asheboro Police Department Satellite Office. Thank you to our Law Enforcement partners who took their Saturday to be part of our event! We even had NC Wildlife there with a boat! Thank you to everyone that showed up and participated!

Every year, the North Carolina Crime Stoppers Association hosts a conference, and each year we send a representative. This is a great opportunity to network with other Board Members, Liaisons and Coordinators. At the conference, various topics are discussed, questions are answered, and attendees are given guidance. We always look forward to this event, as it helps strengthen our program, broaden our knowledge, make contacts and assists us in choosing new goals to achieve. We are constantly striving to grow Randolph County Crime Stoppers and become more innovative.

In December, we held the drawing for our Raffle. This year, our prizes were: Henry Big Boy Steel Rifle .357 mag/.385 Spl Walnut Stock, \$500 cash, and a Free Conceal Carry Class. We appreciate every person that sold tickets for us, each person that purchased tickets, and our sponsors for their generous donations to make it happen!

In 2024, Crime Stoppers introduced a new business card that can be handed out to citizens as a quick reference on where to go to submit tips! This is a valuable tool that includes a QR code for quick access to the App Stores to download P3, our Tip management program.
