All warrants are current as of posting date and recent changes in status may not be reflected. Do not attempt to apprehend or approach a fugitive - call Crime Stoppers or the police. A warrant is a document that is usually issued by a court so that a person can be arrested when there is probable cause to believe that person has committed a crime. The issuance of a warrant by no means indicates that a person is guilty of a crime, only that probable cause exists to believe that person has committed a crime. Anyone who uses this information to injure, harass, or commit a criminal act against any person may be subject to criminal prosecution. Neither the Kansas City Metropolitan Crime Commission, nor any of the sources of the information, shall be responsible for any error or omission, or for the use of, or the results obtained from, the use of this information.
