

# Internet Safety

By Crimestoppers Safe  
Schools Louisiana

- **NEVER** meet anyone in person that you met on the Internet
- **NEVER** send pictures of yourself to someone you met online
- If you find something online that makes you feel uncomfortable, talk to a trusted adult as soon as possible
- **NEVER** give personal information like your name, address, phone number, or school online **WITHOUT** a parent's permission
- Anything posted online is permanent and **DOES NOT** go away even if you delete it
- **NEVER** say something online or in a text that you wouldn't say in real life
- Passwords are your personal information **DO NOT** share with friends
