money for Crime Stoppers*

Paul's Wrecker Service is accepting your junk vehicle, boat or motorcycle as a donation to Bartlesville/Washington County Crime Stoppers. Paul's Wrecker will be dispatched to your residence and pick up your junk vehicle free of charge.

It is important that a clear title for the vehicle be handed over to the Paul's Wrecker driver. It doesn't matter if the car or truck is not running. You can also donate your older running car that's still in good shape and get an extra benefit. Paul's Wrecker will tow the vehicle and the proceeds of the vehicle's scrapping or sale will be donated to Washington County Crime Stoppers.

It's a great way to support Crime Stoppers and at the same time you clean up your driveway or yard by getting rid of that junk vehicle!

Your donation may be tax deductible. Crime Stoppers of Bartlesville/Washington County is a 501(c)3 nonprofit organization. You will get a receipt for the value of your donation.

Contact David Hackler, Washington County Crime Stoppers Law Enforcement Coordinator at 918-338-4018 for questions or to make arrangements to make your donation.

Additional questions regarding your junk vehicle can be directed to Paul Posch at Paul's Wrecker Service at 918-333-9570.
